OBJECTIVE

Dedicated and highly motivated Diploma in Mechanical Engineering graduate with a strong foundation in mechanical principles and a keen interest in industrial safety. Seeking a challenging role that allows me to leverage my technical skills and industry safety knowledge to contribute to the success of a forward-thinking organization.

LANGUAGE

English
Hindi
kannada ★★★★★

SKILLS

Proficient in CAD software (AutoCAD, SolidWorks)

Technical Proficiencies:

AutoCAD

SolidWorks

Microsoft Office Suite (Word, Excel, PowerPoint)

Safety Skills:

Hazard identification and risk assessment

Safety management systems implementation

Emergency response planning and coordination

Fire safety and prevention protocols

Industrial hygiene and health practices

Compliance with safety legislation and standards ★★★★★

INTEREST

Reading.

Writing.

Sketching.

WORK EXPERIENCE

Quality control

TAFE(Tractor and farm &equipment limited

Inspection and maintain quality of products

Improve production

data analysis, and quality assurance.

Adept at performing comprehensive quality inspections to maintain quality standards for medical device

16/12/2021 -

18/06/2022

PROJECTS

Design and Fabrication of a Mini Wind Turbine

Design and Fabrication of a Mini Wind Turbine

Led a team to design and construct a small-scale wind turbine for renewable energy generation.

Utilized SolidWorks for modeling and simulation, optimizing efficiency.

Conducted performance testing and data analysis to validate design.

Maintenance and Optimization of a Hydraulic Press

Collaborated with industry professionals during an internship to diagnose and optimize a hydraulic press machine.

Implemented preventive maintenance strategies to reduce downtime.

EDUCATION

Industrial safety

MIFSE

13/7/2022 -

13/9/2023

DIPLOMA IN MECHANICAL ENGINEERING

SNM POLYTECHNIC

1/1/2018 -

16/4/2021

PUC

JYOTHI PU COLLEGE AJEKAR

12/2/2015 -

16/6/2016

10th

JYOTHI HIGH SCHOOL AJEKAR

12/1/2014 -

16/05/2015
