Work Experience

Dog Counselor

Camp Bow Wow - Bloomfield, CT

April 2022 to Present

For my position I do many things including being in the yard with the dogs and making sure that they are all safe while at the camp.

Other days I will be out of the yard and maintaining the dogs needs by making sure they have water and cleaning there cabins when needed as well as prepping there meals for the day when needed. I also do other small tasks around the camp that vary based on the day like bath the dogs and doing their nails as well.
