Management EXPERT, Quality & continuous improvement, Lean, Design, R&D, Manufacturing & Supply-chain.

Dear RH,

Subject: Apply for a Job: Management Expert in Aerospace, Automotive, Design, R&D, Quality, Lean & Continuous Improvement, Manufacturing & Supply-chain.

As a highly skilled Mechanical Design & Manufacturing Engineer and manager, I am looking forward for Mechanical Design Engineer and manager post in your company. My experience aligns well with the qualifications you are seeking, in particular my role as a Director in Aeronautics at SOGECLAIR Aerospace and engineering at BOMBARDIER Aerospace, and I am certain I would make a valuable addition to your organization.

I'm an expert in: Management, Quality, Manufacturing, Methods and mechanical design with CAD-CAM (CATIA V5 Expert on all modules), GD&T, PLM & PDM, R&D. Ability to improve, manage large projects and motivate staff in a context of accelerated rhythms.

My goals: To accomplish this mission I plan to use my knowledge in management and technical skills, manufacturing, quality and team coordination.

With more than 20 years of experience as a Mechanical Design Engineer and manufacturing manager, I am expert in management, quality and business development, customer requirements identification and suitable solutions providing.

Moreover, while my on-the-job experience has afforded me a well-rounded skill set, including first-rate analytical and critical thinking skills, I excel at:

- Project management in Aerospace and automotive
- Feasibility study
- Mechanical components design and FEM-FEA (finite element Analysis and stress)
- Manufacturing
- Quality and continuous improvement (5S, SMED, Kaizen, FMEA, TPM...)
- **LEAN SIX SIGMA "BLACK BELT" IN THE INDUSTRY SECTOR,**
- **I prepare for the PMP certification.**

In addition to my experience and personal qualities, I have a solid educational foundation and a passion for Management, engineering and mechanical designing. Please review my attached resume for additional details regarding my expertise and abilities. I will follow up to request an appointment to discuss how my experience and background meets your organization requirements.

Thank you for your time and consideration.
