100 Martinglen Mews, Northeast Calgary, AB | (437) 297-4625 | libinbenny42@gmail.com

Profile

GSE Operations Leader with 5+ years managing aviation and automotive maintenance. Launched and scaled greenfield GSE operations, achieving \$1M+ first-year revenue, 95% fleet availability (target 92%), and reduced MTTR from weeks to days. Skilled in preventive maintenance, SOP & PMI development, audit compliance (IATA, internal), and airline-facing operations. Proven ability to lead cross-functional teams, optimize workflows, and deliver SLA-driven results.

Recent Experience

GSE Shop Manager, GTA Aviation GES Alberta Inc., YYC Airport, AB

Feb 2024 - Present

- Launched and managed regional GSE maintenance operations supporting 150+ units in Calgary.
- Delivered \$1M+ revenue in first year, supporting airline clients including American Airlines, WestJet, and KLM.
- Oversaw 4 direct-report technicians, implementing preventive maintenance schedules and PMI check sheets aligned with manufacturer guidelines.
- Improved fleet reliability: 95% availability (target 92%), MTTR reduced from weeks to days, and 100% on-time work order completion.
- Designed and maintained task tracking systems and SOP updates, ensuring compliance with safety and audit requirements.
- Coordinated with vendors and OEMs for parts, warranty, and AMC management.
- Responded to AOG / urgent maintenance incidents weekly, ensuring minimal flight disruptions.

Assistant Manager (Production), Mahindra and Mahindra Ltd., Mumbai, India

Sept 2021 - Nov 2023

- Supervised a 30-member team in a high-output manufacturing facility, focusing on equipment maintenance, optimization, and workplace safety.
- Implemented **digital SOP training modules** to standardize operations and reduce onboarding time by 30%.
- Initiated structured reporting systems and root cause analysis processes to improve productivity and reduce repeat failures.
- Collaborated with quality, safety, and maintenance teams to achieve lean targets and regulatory compliance.
- Prior work in machine shop as GAT after B-tech during the period of September 2018-2019.

Education

MSc, Engineering Management (Minor in Operations)

Coventry University - England, United Kingdom • Jan 2020- 2021

B.Tech, Mechanical Engineering

MG University - Kerala, India • Aug 2014- 2018

Skills & Abilities

Core Competencies

- Strong manufacturing background
- Situational awareness and decision-making
- Workshop Management
- Safety compliance and regulatory inspections

Technical & Operational Skills

- Preventive maintenance systems
- Lean manufacturing.
- Digital documentation and task-tracking software.
- Automotive diagnostics.
