I hold a **National Diploma in Mechanical Engineering**, a **National Certificate in Automotive Mechanic**, a Certificate in Basic Aviation Management, and a Diploma in Electrical Vehicle Technology. My professional journey has led me to DAS HANDLING LIMITED, where I serve as a Ground Handling Agent at Entebbe International Airport. In this role, I have gained practical experience with various Ground Support Equipment (GSE) in mechanical, electrical, and hydraulic aspects.

My professional growth has been influenced by my meticulous nature, strong logical thinking, and learning abilities. I have excellent interpersonal communication skills and excel in teamwork, which have been crucial in my career development. In terms of languages, I am fluent in English and Kiswahili, and I am also a native speaker of Alur.
