TOWN OF AVON

Probationary Police Officer (October 2023 - June 2024)

A probationary police officer is a newly hired law enforcement officer undergoing a period of training and evaluation. During this time, they learn departmental policies, procedures, and practices while gaining practical experience under the supervision of experienced officers. Their performance is closely monitored to ensure they meet the standards required for permanent employment. The probationary officer must demonstrate competence in various aspects of policing, including community interaction, criminal investigations, and emergency response.

GREAT POOL TABLE MOVING AND STORAGE

Employee (May 2018 - September 2023)

At a pool table moving, storing, and building company, employees are responsible for the safe and efficient relocation, assembly, and disassembly of pool tables, ranging from vintage 1800s models to modern designs. They expertly handle, transport, and store tables to prevent damage. Additionally, employees perform precise installation and leveling to ensure optimal playability, and provide maintenance and repair services as needed. They also communicate with clients to understand specific requirements and ensure high-quality service.
