Professional Summary

Down-to-earth and hard-working tech with a couple years of hands-on experience doing oil changes, tire work, and general maintenance. I've got my own tools, I show up on time, and I take pride in doing things right the first time. I work well with others, stay calm when it gets busy, and I'm looking to keep growing in the industry and learn more every day.

Authorized to work in the US for any employer
