Virtualization	VMware, HyperV	8
Project management	Project, Wimi	6

IT internship abroad

Apprentice IT Security Engineer

4th year apprentice in the **Computer Science & Security (CS&S)** department of the INSA CVL, I am applying for an internship abroad. Apart from the fact that this experience is required to complete the French engineering degree, I want to discover how things are getting done abroad and get out of my comfort zone.

Education

Since 2019

INSA Centre Val de Loire (CVL)

BOURGES
Cher
