

## Miteshkumar Mistry

2 Carol Street, Enfield CT 06082 email : mistry0526@gmail.com

---

**Skilled CNC Operator with precise attention to detail and over three years of experience, with the ability to read drawings and use measuring instruments and hand tools to make precision and intricate parts for many industries including medical, computer and recreational industries. Most recent work history:**

**CNC Cold Saw Operator, September 2022 to February 2025 \* Rolled alloys 620 Day Hill Road, Windsor CT 06095**

- Operated a cut-off bandsaw to produce blanks from metal bars for various departments.
- Set up machines, inserted materials and executed cutting operations.
- Managed diverse materials and sizes for multiple client specifications.
- Maintained a clean and organized workspace to ensure safety and efficiency.
- Collaborated with CNC operators to ensure timely production flow.

**CNC Operator, July 2021 to August 2022. \* Connecticut Spring & Stamping. 48 Spring Ln, Farmin gton, CT 06032**

- Change tooling at prescribed intervals/counts. Make off sets to maintain product acceptance, Maintains production records.
- Responsible for “in process” component inspection both visual and dimensional using specialty gages as designed for product lines in production and standard measuring tools. (Micrometer, caliper, optical comparator, CMM)
- Ensures all CNC machines are properly lubricated before each process initiation, ensuring preservation of machinery
- Maintained continuity among work shifts by documenting and communicating actions and irregularities

**Shipping Associate, Dec 2018 to July 2021**

**ACMT, Inc. (Advanced Composites & Metal Forming Technologies) Manchester, CT 06042**

- Maintain records of all outgoing and incoming shipments from and to the warehouse.
- Prepare shipments with the correct mailing labels and ensure that all orders and withdrawal requests from the warehouse are correctly fulfilled, Consolidate shipping orders.
- Ensure that the goods delivered to the warehouse are in accordance with approved orders and the associated bill of lading or invoice, Perform the unpacking of consolidated shipment deliveries and distribute contents to the right

**Machine operator, June 2018 to Oct. 2018**

**Quality name plate. East Glastonbury, CT 06025**

- Running department equipment to product according to customer’s guidelines and standards operating procedures
- Ability to handle multiple tasks and work in a team environment

**Mailing Process System Machine operator / Assistant Printer, July 2015 to May 2018**

**Broadridge, Formally DST Output. South Windsor, CT 06074**

- Running department equipment to product according to customer’s guidelines and standards operating procedures
- Conducting quality checks, Completing computerized and paper documentation, Verify mail and document legibility and completeness

**[Related work history](#)**

## **Miteshkumar Mistry**

**Sr. Detailing Engineer, Oct. 2012 - Nov. 2014. \***

**Janak Buildcon Pvt. Ltd. (Essar Heavy Engineering Services) / Gujarat, India**

- Preparation of G.A. (General Assembly) drawings for process plant equipment's like Pressure vessel, Reactors, Heat-exchangers etc. as per ISO system.
- Generate details drawings for the equipment's such as D' end, Forgings, Nozzle, Man way, Internals, Externals, Surface development etc.
- Checking the drawings with reference to applicable ASME/ Client standard before submission.
- Working on standardization of drawings. (E.g. GA Heads etc.) as a part of department standardization project.

**Sr. Mechanical CAD Drafter, May 2011 - Sep. 2012. \***

**Standard Fabricators LLC. / UAE, Ras Al Khor**

- Preparation of G.A. and Detail drawings for hollow metal steel door (fire rated) & Gate Drawing as per ISO standard and client requirement.
- Create Sheet metal bending and flat pattern drawing.
- Measured field dimensions in construction site visits, Calculation of BOM.

**Sr. Draftsman (Project Dept.) May 2010 - May 2011. \***

**GEPL (Gujarat Enviro Protection & Infrastructure Ltd.) / Gujarat, India**

- Provide Drafting support to the Substation Design updating and maintaining "As Built" drawings, while working independently.
- Preparation of Process flow diagram, Water balance chart, Equipment Layout, ISO metric, piping, Fabrication & Structural support Drawing
- Familiar with calculation of weight of tank, bill of materials.

**Mechanical CAD Drafter, July 2007 - May 2010. \***

**Aalidhra Textool Engineers Pvt. Ltd. / Gujarat, India**

- Used AutoCAD & Solid edge system to prepare engineering blueprints.
- Ensured compliance with company standard drawing procedures in blueprint review.
- Produced detailed construction blueprints using field survey data.
- Completed all assigned projects on or well before deadlines.
- Developed complex project design specifications

## **Skills:**

**CAD Software:** Solid work, Solid edge & AutoCAD

CNC Mill and 2 Axis CNC Lathe, Programming

Microsoft Office, Word, XL

Work in accordance to ASME Standards, GD&T

## **Education / Training:**

Certified SolidWorks Associate (Certificate ID: C-VWAYJ4Z4HP) March 2019

CNC coursework. at Asnuntuck Community College May 2021

Draughtsman (Mechanical) National Council for Vocational Training, 2006
