

ISAAC AKYIGIT

80-15 Grenfell Street Apt B20
Kew Gardens, New York 11415
(917)993-4407
bonjim923@gmail.com

Skills

❖ **CNC Machining**

- Experience building, owning, operating and maintaining a variety of additive and subtractive CNC machines

❖ **Logic-Based Troubleshooting**

- Developed my own process of reverse engineering in order to repair systems I might not necessarily understand at first

❖ **Customer Service and Satisfaction**

- Always sure to maintain a high level of professionalism throughout every interaction

Education

❖ **High School For Construction Trades, Engineering and Architecture**

- High School Diploma, Engineering (2017-2021)

❖ **University of Hartford**

- Bachelor's degree, Electromechanical Engineering, 3.5 GPA (2021-2025)

Experience

❖ **Eagle Scout - Boy Scouts of America - (2012-2021)**

- Participated in the Boy Scouts of America for a total of nine years. During this time I developed several skills such as punctuality, leadership, and work ethic

❖ **SkillsUSA New York City President - (2020-2021)**

- Responsibilities of this position included consistent monthly reports, organizing events for the New York City chapters as well as the entirety of New York State

❖ **First Tech Challenge Robotics - (2019-2021)**

- Founded and led my high school's robotic team with responsibilities including budgeting, designing and building of the robot.

❖ **Electronics Repair Technician - Mr. Fixsmith (2021-2022)**

- Responsibilities included tasks such as opening and closing the shop, keeping the store presentable, organizing inventory, placing orders and handling money.

❖ **Machine Shop Assistant - University of Hartford (2021-2022)**

- Responsibilities included coordinating the setup, organization, maintenance and monitoring of the newly renovated machine shop. Practiced and taught skills such as machining, welding and other means of manufacturing.
