CERTIFICATES

Cad-e-solutions-CATIA v5.
Technosoft-
Autodesk inventor
NCC-KAR/SD/14/31532
Technology global-
internship on catia ID;003522.

HOBBIES

Travelling

EXTRA CURRICULAR ACTIVITY

Volunteer work at akshaya foundation
Volunteer work at redcross and KSP.
Supplying Medicine kits to needy peoples.

ACHIEVEMENTS

1. Appreciation Certificate by IPS officer.
2. Quater-2 Award Winning Best Performer.
3. **Saved 4Lakhs by preventing outsource for fixture design.**

->1.3yr experience as Design Engineer at Satrac Engineering Pvt Ltd

-Bangalore- Dec 2022-Present

1. Developed Welding Fixture which increased productivity.
2. Generated more than 2 Concepts Design on special purpose vehicles
3. Bill of Materials and Drawings Releasing on time and manuals
4. Re-Modelling Technique which Assemblies open in less duration.
5. Maintaining the Time Sheet to Track Daily Activity.
6. Familiar with PPT, M.S Word, Excel and prepared trailer manuals.
7. ECR generation and preparation of general drawings in solidworks.
8. Familiar with Weight Cal, Reaction Forces, Slope Calculation.
9. Attending Technical Trainings to upskilling and achieve the goals.
10. Worked cost reduction in trailer components and DXF generation.
11. Knowledge in SAP Business one Material Master and BOM Creation.

->0.6yr experience as Junior Design Engineer at Essae Pvt Ltd

-Bangalore-April 2022-Sep 2022

1. Creation of Technical Data Report that used as support for business.
2. Concept Design Drawings preparation with GD&T parameters.
3. Manual and PPT preparation which helpful to customer as guideline
4. Inventory control by providing proper engineering BOM.
5. Basic Assembly and part detailing with ECR generation.
6. Basic knowledge on mechanical properties and asme y14.5.

->1.2yr experience as Sales and Application Trainee at Adarsh Tooling

-Bangalore-Sep 2020-Nov 2021

1. Responsible for achieving business parameters and lead creation.
2. Suggesting cutting tools which helps better performance in cnc machine.
